We now have a YouTube Channel. On here you can see videos from Qualifiers and Championships and get a good feel for what the club is like.

Representing the club isn't just about going out and winning rosettes and sashes, it's about being part of a team, supporting and helping one another and making friends and fantastic memories. What's special about Bath Riding Club is that we can do all of the above.

Well done to all our members who have been out competing. Thank you for all your hard-work and commitment, and thank you to family and friends who have helped with volunteering 😊
